

EU GREEN Blended Intensive Programmes

CALL for BIPs 2025/2026

What is a Blended Intensive Programme (BIP)?

The EU GREEN Alliance is launching its third Call for Blended Intensive Programmes (BIPs), inviting professors from all nine partner universities to create innovative educational experiences. BIPs are short courses that combine both online and onsite learning, designed to promote innovative teaching methods and foster the development of transnational and multidisciplinary courses for students across the alliance.

Guidelines for BIP Coordinators

For detailed information on how to develop and manage a BIP, please check the [BIP Guidelines](#), which include all essential instructions and requirements.

Info Session for BIP Coordinators

Join the BIP Info Session to learn more about the process:
